The degree requirements in this document apply to students entering Washington University during the 2023-2024 academic year. Every effort is made to ensure that the information is accurate and correct as of the date of publication (1/3/23). Washington University reserves the right to make changes at any time without prior notice. Therefore, this curriculum document may change from time to time without notice. The governing document at any given time is the then-current version, as published online. **USE THIS DOCUMENT ONLY AS A PLANNING TOOL WITH YOUR ADVISOR.**

*No classes will be held during Thanksgiving week.

**A waiver may be obtained by taking exams in each foundational course and receiving a passing grade. The content for each course will be available online for review prior to taking the exam for a waiver.

***This course is recommended for those who want in-depth accounting statement analysis and are planning to take the CFA exam.
