A rescue. A commander’s address. And the first batch of scholars at the Koch Center.

Olin News

Alum’s startup hires team to rescue Ukrainian programmer
Kyle Bank, BSBA 2014, anxiously awaited word as his colleague from Phenix Real Time Solutions escaped missiles and mortar fire in the wake of Russia’s campaign of aggression against Ukraine.

Sacred number embodied in EMBA Mumbai batch
Commander Rahul Verma, EMBA Mumbai 2023, is an aviator in the Indian Navy and director of innovation at India’s Naval Headquarters. He delivered the student address to his colleagues from EMBA Mumbai batch seven at the graduation recognition ceremony.

An MBA will help you understand leadership
Ian Freshwater, MBA 2022, works for FedEx Corporation. He shares a few ways an MBA from WashU Olin will equip you with the tools and knowledge to build a future of impact.

The Koch Center’s first set of Family Enterprise Scholars
The group is working on research tied to family enterprise. They’ll learn about a huge swath of the US economy—closely held businesses—and bring rigor to a space often missed in research work.
Featured content for August

What does it take to be successful in innovation? What are some exciting trends happening in the innovation space? Our alumni panelists share their insights about careers in innovation and new ventures, both inside large organizations and smaller entrepreneurial companies—and in varying industries. Tune in to “Careers in Innovation and New Ventures.”

Make Way News

In 2022, WashU launched Make Way: Our Student Initiative, a fundraising effort to increase financial resources for students in need, while providing a “best-in-class” experience for all students to learn, develop and flourish. Each month, we will bring you stories of impact through the Make Way Initiative.

Learn more about Make Way.
