Executive MBA

Informed by numbers, driven by principle.

At the intersection of numbers and values, we challenge you to do more—to look beyond the bottom line and make thoughtful choices that benefit business and society.

You’ll learn to rely on a Values Based, Data Driven™ decision-making framework. You’ll hone your individual leadership style through assessments, coursework and executive coaching. You’ll gain management expertise. And you’ll develop lasting professional relationships and collaboration skills.

Executive leadership & career coaching integrated throughout the program
