Executive MBA

Informed by numbers, driven by principle.

At the intersection of numbers and values, we challenge you to do more—to look beyond the bottom line and make thoughtful choices that benefit business and society.

You’ll learn to rely on a values-based, data-driven decision-making framework. You’ll hone your individual leadership style through assessments, coursework and executive coaching. You’ll gain management expertise. And you’ll develop lasting professional relationships and collaboration skills.

Executive leadership & career coaching integrated throughout the program

Individualized leadership development is at the heart of our program. You’ll hone your leadership skills through assessments, executive coaching and related coursework that are strategically integrated into your EMBA experience. During the program, you’ll take part in 10 hours of leadership coaching, including sessions even after you’ve earned your degree.
