Online MBA

A modern MBA for a digitally connected world

AI. Machine learning. IoT. Cloud computing. In a constantly changing digital world, technology has become a strategic asset. That’s why you need an MBA that stands up to the challenges of today and what’s on the horizon for tomorrow.

WashU Olin’s online MBA, grounded in core MBA principles, explores how digital technologies can and should influence the decisions we make as business leaders. You’ll learn how to harness current and evolving technology to drive an organization’s growth and success.

No GMAT/GRE required

100% online

Careers support

Dedicated career coaches and industry experts provide personalized support to help you achieve your career goals

$75,000 total tuition (2022)

20+ elective courses

Lean into the influence and impact of digital technologies

This isn’t a technical degree—it’s an evolved MBA designed for those who want to be digitally literate leaders. The progressive curriculum builds on WashU Olin’s values-based and data-driven leadership decision-making framework.

Dynamic Learning Format
Your online learning experience will be a mix of live interactive sessions balanced with prerecorded content.

- Live sessions focus on discussion, live cases presented by business executives, sector deep dives and simulation exercises.
- Prerecorded content includes watching lectures, responding to online discussions, reading cases and articles, writing case memos, and working in teams.
