Master of Science in Finance
Corporate Finance and Investments

Informed by numbers, driven by principle.

At the intersection of numbers and values, we challenge you to do more—to look beyond the bottom line and make thoughtful choices that benefit business and society.

Through a rigorous curriculum and in-depth training in securities research, capital raising, derivative pricing and fixed income, you’ll become an expert at driving economic impact for organizations of all types and sizes.

$74,200 total tuition (2023)
