At the intersection of numbers and values, we challenge you to do more—to look beyond the bottom line and make thoughtful choices that benefit business and society.

At Olin, you will hone your skills to become a responsible, trusted wealth and asset manager adept at providing holistic, data-driven guidance for your clients.
### Master of Science in Finance—Wealth and Asset Management Curriculum

Preprogram Foundations Requirements: Introduction to Finance, Introduction to Accounting, and Financial Accounting II (Intermediate Accounting). Online workshops begin in July. This work is in addition to required credits and does not affect GPA.
