Why our online accounting program?

A certificate or degree from WashU is well respected and will open doors throughout your career.

This program is ideal for busy professionals with 2 to 10 years of work experience who want work/life balance while they go to school.

learn.WashU, our personalized, proprietary digital learning platform, provides you with engaging course sessions and a state-of-the-art user experience.

As you earn your degree, expert career services professionals will partner with you to help you achieve your career goals.

Three levels of credentials—Graduate Certificate, Advanced Graduate Certificate and Degree—allow you to build your resume before completing the program.

Potential career paths: tax consultant, audit associate, staff accountant, financial analyst, cost accountant, valuation analyst
