Signing bonus not reported when less than three data points.

World Region of Employment

- North America: 52% ($85,300)
- Asia: 48% ($38,500)

*Percentage of graduates for whom we have postgraduation information is 46%.*

Graduation dates were December 22, 2021, and May 20, 2022. This report represents employment status six months after graduation.

Students whose home country was located outside the US were adversely impacted by international COVID travel regulations, requiring some to stay in their home country.
